“ *Harrison was more than someone I loved — he was my best friend, my safe place, and my other half. He was so funny, full of life, and could always make me smile no matter what kind of day it was. His energy, laughter, and spirit lit up every room he walked into. He was always protective over me and made me feel loved and cared for in a way I'll never forget. The bond we shared was unforgettable, and the love he gave will stay with me forever. He brought comfort, happiness, and meaning into my life in a way no one else could. No matter how much time passes, I will always carry his memory in my heart. I miss him deeply and love him endlessly. Forever and always.*
