“ 32 years ago you was my brother-in-law. I gave birth to your niece Chanell Oakley. All though you and her never got a chance to have a relationship I forever told her stories of you Ron. Many of the stories pertained to you, Bugar (Jerry) and of course her dad Artty..I remember you teasing the heck out of your mom. She would get so embarrassed saying "Ron stop it" then run in the house to cook you something to eat! I have many visions of you but the one that sticks out most is your butt laying on that ugly orange couch you had in the trailer on New York Av when I first found out I was pregnant with Chanell, you threw me a \$100 bill and told me to go shopping for that little Oakley in my belly. Crazy thing is Chanells youngest son Cari looks just like you Ron. I've said that since the day he was born. I'm sure your Mom and dad was so happy to have you in their arms again. Rest easy Ron!
