“ Throughout the years Vickie and I worked together we shared stories, laughter, and consultation frequently over the phone. Vickie was a trusted mentor that I looked up to for over 25 years. She was a beautiful, patient, kind, caring, and funny soul, that was always unapologetically herself. Her passing will leave a void in the heart of everyone who knew her.

To Vickie's family,  
No words can describe how sorry I am for your loss.  
Praying for you and your family during this difficult time.

“ Vickie was always nice and caring. Loved our chats on messenger and appreciated her kindness when she went out of her way to let me know if the dog snuck down her way and always enjoyed some good laughs that we called "cracking" up R I P sweet lady.
